Town™*

Park City, Utah is where winter comes to play. Of course you'll find snow-filled action like fat biking, dog sledding, and experiencing The Greatest Snow on Earth® at world-class ski resorts Park City Mountain and Deer Valley. But you'll also find small-town charm wrapped up in a commitment to sustainability. The city has set a goal to be net-zero carbon and run on 100% renewable electricity for the entire community by 2030. Help us protect Winter's Favorite Town, so we can all keep playing here.

THIS LIFT IS FREE.

Park City is full of winter sports— and driving doesn't have to be one of them. Our walkable town has an absolutely free—ski and bike-friendly—transit system. Park City Transit and High Valley Transit take you all over town and to the slopes. Canyons Village Connect is a complimentary, on-demand ride service during winter within Canyons Village. If the bus doesn't work for you, please consider carpooling. Help us keep Winter's Favorite Town filled with nature-lovers; not cars.

RELAX, RECOVER, RECHARGE

Every adventure needs a homebase, and in Park City you'll find more than 100 conveniently located lodging properties, including full-service hotels, large-multifamily private homes, B&Bs, and condos. Then, take your relaxation to the next level with our renowned wellness centers and spas. Wherever you stay, please practice sustainability. Conserve water and energy, use and look for opportunities to recycle.

A couple is seen from behind, wrapped in a thick, light-colored blanket, looking out over a vast, snowy mountain landscape. The man is wearing a dark grey sweater, and the woman is wearing a light grey turtleneck. They are standing on a wooden balcony with a snow-covered railing. The background shows a dense forest of evergreen trees covered in snow, with ski lift poles visible in the distance. The sky is overcast and grey.

WE EMBRACE
SUSTAINABILITY.

As snow-sports enthusiasts, the natural environment is our playground—and protecting it is critical for us and for our planet. We can all play our part in creating a more sustainable future in winter sports and beyond. Start by taking public transportation and supporting businesses that take sustainability seriously. For example, our local resorts are reducing environmental impact by using renewable energy, diverting waste from landfills and generating snow more efficiently. As a city, we're on track to run all municipal operations on 100-percent renewable electricity by 2023. Join our efforts in protecting Winter's Favorite Town.

If you're looking to give back to Park City, please consider supporting one of our amazing nonprofits.

Visit giving-guide.parkcitycf.org for more ways to give.
